INTRODUCTION

This request for quotation (rfq) is for the printing and binding of the Montana Code Annotated (MCA). The project includes statute text, histories, compiler's comments, cross-references, and index and separate titles and volumes of the MCA, as well as ancillary publications related to the MCA.

Bids are requested on a per-book basis with a given estimate of number of pages for each book. The Code Commissioner will determine the successful bidder based on overall lowest competitive bid.

A sample book from the current MCA is attached to this rfq for informational purposes only.

SAMPLES:

Each sample must also be labeled with bidder's name. Sample cover stock must be finally approved before work begins.

SUBCONTRACTORS: Each bidder shall submit a statement that all work is to be performed in bidder's own plant, or if any portion is to be produced elsewhere, the statement must contain the name of the subcontractor to whom the bidder intends to sublet that portion and must designate what portion of the work will be sublet. The Code Commissioner reserves the right to be the sole judge of the qualifications of the subcontractor, and such subcontractor may be used only upon the express written approval of the Code Commissioner.

AWARD: The contract will be awarded to the lowest responsible bidder. The Code Commissioner reserves the right to reject any bids if they do not meet, in the opinion of the Code Commissioner, the requirements of this request or if publication samples do not meet or exceed the quality standards necessary to produce the MCA.

Further, the Code Commissioner reserves the right to reject a bid from any bidder whose previous performance in printing, in the opinion of the Code Commissioner, either was questionable or did not meet conditions of previous contracts. The best interests of the State of Montana will be considered when selecting the successful bidder.

Note: The reciprocal resident bidder preference provided for in 18-1-102 and 18-7-107, MCA, applies to this bid.

The Code Commissioner also reserves the right to waive immaterial deviations from the bid specifications.

The Code Commissioner is the sole judge of quality and delivery conditions.

TIME OF THE ESSENCE: The Montana Code Annotated is the official compilation of the laws of Montana. The people of the State of Montana have the right to availability of the laws that govern them by the usual effective date of the laws--October 1 of each year that the MCA is printed.

LIQUIDATED DAMAGES: The damage to the citizens of the State of Montana from not having the printed code available by the general effective date for statutory enactments is very difficult to establish. The Legislative

Services Division will deduct from the contract price 1% per calendar day for each day of failure to meet the 25-day deadline. There is no premium for early delivery. This clause may be invoked only if the Division has provided contractor with copy substantially in accordance with an agreed-upon schedule.

PAYMENT:

The Legislative Services Division shall pay contractor the price and amount set out in the contractor's bid within 30 days after delivery to and acceptance by the Code Commissioner of the MCA sets and extra volumes and titles herein described and receipt by the Code Commissioner of a properly executed claim for the amount due.

STANDARD CONDITIONS

NO BIDDER COLLUSION: The bidder's signature on the bid guarantees that the prices quoted have been established without collusion with other eligible bidders and without effort to preclude the State of Montana from obtaining the lowest possible competitive price.

PREPARATION OF BIDS: Bids must be written in ink or typewritten and must be signed. Erasures and alterations must be initialed by the bidder in ink. Bid quotations must be firm.

WARRANTY: The bidder warrants that the printing and materials will conform to the specifications herein requested and be of good material and workmanship and free from defect. NONDISCRIMINATION: In accordance with federal and state laws, the bidder agrees that hiring will be on the basis of merit and qualifications and that the bidder will not discriminate against any client, employee, or applicant for employment or for services because of race, creed, political ideas, color, marital status, religion, national origin, sex, physical or mental disability, or age with regard to but not limited to the following: employment upgrading, demotion, or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; selection for training; or rendition of services.

It is further understood that any bidder who is in violation of this clause is barred forthwith from receiving awards of any purchase from the State of Montana unless a satisfactory showing is made that discriminatory practices have ceased and the recurrence of such acts is unlikely.

Printing firms not having the use of the labels and who are desirous of presenting bids for printing as enumerated above shall be required to establish consideration as a responsible bidder as follows:

(1) As a condition to consideration as a responsible bidder, printing concerns must file with the secretary of state a sworn statement to the effect that employees in the employ of the concern which is to produce such printing are receiving the prevailing wage rate and are working under conditions prevalent in the locality in which the work is produced.

(2) Whenever a collective bargaining agreement is in effect between an employer and employees who are represented by a responsible organization which is in no way influenced or controlled by the management, such agreement and its provisions shall be construed as conditions prevalent in said locality and shall be the minimum requirement for being adjudged a responsible bidder under this section, 18-7-107, or chapter 4 of this title.

(3) Printing firms having the use of the union labels as set forth above shall be deemed as having complied with the provisions of this section, 18-7-107, or chapter 4 of this title, but nothing in these provisions shall be construed as exempting such bidders from any provisions of this section, 18-7-107, or chapter 4 of this title, and such bidders shall also be required to conform to all provisions thereof."

PERFORMANCE BOND:

The bidder awarded the contract shall within 15 days enter into a formal contract with the State of Montana Legislative Services Division, to be signed by the successful bidder and the Code
